CHAPTER 340

{Senate Bill 454}

AN ACT concerning

Environmental Trust Fund -- Environmental Surcharge

FOR the purpose of making the environmental surcharge per kilowatt hour of electric energy generated in the State a direct obligation of the electric companies; permitting the surcharge, to the extent it is not collected from the companies' customers, to be computed and allowed as a cost of generation for rate-making purposes; conforming certain language in the Public Service Commission Law relating to the surcharge to the corresponding language in the Natural Resources Article; and generally relating to the Environmental Trust Fund and the environmental surcharge per kilowatt hour of electric energy generated in the State.
